

INSTRUMENT COOLING FAN

4" Square Fan

6" Round & Square Fan

8" Square Fan

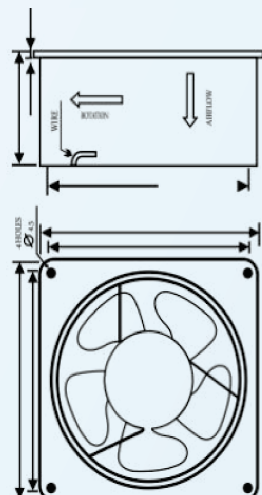

Applications

- Suitable for Kitchen /Bathroom
- Panels/Server /UPS
- AC air circulation

Applications

- Choice of voltage: 220V/110V/24VAC
- Impeller of high quality PBT+30% fibre UL 94V.O.
- High RPM delivers High CFM even at low power consumption
- Noiseless operation
- Corrosion less body
- Impedance protected
- Light in weight & sturdier function
- Best working results for area: upto 100 sq. feet area
